أكاديمية كيمارك

Liquid Chromatography

Tandem Mass Spectrometry Principles and Applications
(Hands on Training / Course)

October 12 - 16, 2025 | 9:00AM - 4:00PM

KAIMRC Pharmaceutical Analysis Laboratory

OBJECTIVES :

- To provide the participants with the knowledge in performing the technique of Liquid Chromatography / Tandem Mass Spectrometry

TARGET AUDIENCE :

- Scientist
- Clinicians, Nursing, Pharmacists
- Medical, Nursing and Healthcare Students
- Researchers or Staff interested in Research

SCAN FOR REGISTRATION :

Fees :

2500
per participant

Deadline of registration: October 06, 2025
